

## **Finance and Pupil Premium Link Governor - Role and Responsibilities**

Link governors should focus on a specific aspect of school life and report back to the LGB on it. Their job is to raise the profile of the issue, monitor it, and provide support and challenge to key school staff. The finance and pupil premium link governor will:

- 1) Ensure that the management of finance is conducted within the budgetary constraints set by the Delta Education Trust Board.
- 2) Attend budget monitoring meetings and/or the quarterly financial review at least once each term, and draw any matters of significance or concern to the attention of the LGB.
- 3) Monitor and review expenditure, and brief the LGB accordingly, so that it can ensure financial targets set by the Delta Education Trust Board are met.
- 4) With the Headteacher, advise the LGB if the funding available may be insufficient to ensure a safe teaching and learning environment for pupils and staff.
- 5) Ensure that Pupil Premium funding is used effectively and efficiently to support disadvantaged pupils within the school.
- 6) Discuss with the SLT the implementation and impact of current policies and practices on the progress of disadvantaged pupils, and monitor that achievement gaps are being closed.
- 7) Contribute to strategic planning for future improvements to enhance the progress of disadvantaged pupils and to report back to the LGB.
- 8) Ensure that the school website displays the required Pupil Premium funding strategy and impact statement, including:
  - a) For the current academic year:
    - i) The school's pupil premium grant allocation amount.
    - ii) A summary of the main barriers to educational achievement faced by eligible pupils at the school.
    - iii) How the school will spend the pupil premium to overcome those barriers and the reasons for that approach.
    - iv) how the school will measure the effect of the pupil premium.
    - v) The date of the next review of the school's pupil premium strategy.
  - b) For the previous academic year:
    - i) How the school spent the pupil premium allocation.
    - ii) The effect of the expenditure on eligible and other pupils.
